2017 INFORMA INVESTOR DAY

On behalf of Informa, I am delighted to invite you to attend our **2017 Investor Day** on the morning of **15 June**. The event will take place at **City Hall**, The Queen's Walk, London, SE1 2AA and will commence at 9.00am (registration from 8.30am). We will aim to wrap up presentations by 12.45pm and will then host lunch to allow for further informal discussions with the Informa management team.

This year's themes are **Capability** and **Growth**, with a focus on how the **2014-2017 Growth Acceleration Plan** has improved operational fitness across the Group, strengthened our product and platform capabilities and positioned us for future growth and scale. As part of this we will delve deeper into the opportunities presented by the addition of *Penton Information Services* and other acquisitions made through our international expansion programme.

The day will be hosted by Group Chief Executive, **Stephen A. Carter**, and will also include contributions from:

- **Patrick Martell**, Chief Executive of the **Business Intelligence** Division and Chief Executive of Penton Information Services
- **Andrew Mullins**, Chief Executive of the **Knowledge & Networking** Division
- **Charlie McCurdy**, Chief Executive of the **Global Exhibitions** Division
- A number of the Senior Management from each of these Divisions

We also hope to have the new Chief Executive of the **Academic Publishing** Division in attendance.

The event will not be webcast live but will be recorded and subsequently made available on our website.

If you would like to attend, please RSVP to Toni Thompson on 020 7017 5572 or toni.thompson@informa.com. **Please note that for security reasons you must be registered for the event in advance, if you just turn up on the day you will be refused entry.**

We look forward to seeing you there!

Yours sincerely,

Richard Menzies-Gow
