Offer Update - Expected Timetable and Scheme Court Sanction Hearing

The Boards of Informa (“**Informa**”) and UBM (“**UBM**”) welcome today's announcement by the UK CMA that the Offer does not qualify for investigation by the CMA. This completes the regulatory review process in the UK in relation to the Offer, following on from the successful completion in China, Germany, Turkey and the United States. Subject to final legal procedures, as detailed below, the UBM Shares are expected to cease trading on Thursday 14 June 2018 and the Offer is expected to become effective on Friday 15 June 2018 with the New Informa Shares issued to UBM Shareholders commencing trading on Monday 18 June 2018.

Therefore, from 18 June 2018, the programme of post-completion activity can begin, combining the two Groups effectively through the **Accelerated Integration Plan (“AIP”)**. As previously detailed, this will follow four distinct phases over twelve months from completion through to June 2019: **Discovery & Validation, Combination, Completion, Ambition & Creation**.

Stephen A. Carter, Chief Executive of Informa PLC, said:

“We welcome today's news which completes the regulatory process in relation to the Offer and confirms the Accelerated Integration Plan will commence on 18 June 2018.”

He added:

“Our programme of Combination and Creation will take the best aspects of Informa and UBM and create a new business capable of pursuing the full growth opportunities on offer as a leading B2B Information Services Group.”

Tim Cobbold, Chief Executive of UBM plc, said:

“The combination of UBM and Informa creates clear opportunities to achieve significant strategic, operational and financial benefits and today's announcement allows the process of realising those benefits to begin on 18 June 2018.”

Legal Process

On 30 January 2018, the Boards of Informa and UBM announced that they had reached agreement on the terms of a recommended offer to be made by Informa for the entire issued and to be issued

All statements other than statements of historical fact are, or may be deemed to be, forward-looking statements. Forward-looking statements are statements of future expectations that are based on management's current expectations and assumptions and involve known and unknown risks and uncertainties that could cause actual results, performance or events to differ materially from those expressed or implied in these statements. Forward-looking statements include, among other things, statements concerning the potential exposure of the Informa Group, the UBM Group and the Enlarged Group to market risks, statements as to accretion and statements expressing management's expectations, beliefs, estimates, forecasts, projections and assumptions, including as to future potential cost savings, synergies, earnings, return on average capital employed, production and prospects. These forward-looking statements are identified by their use of terms and phrases such as "aim", "anticipate", "assume", "believe", "budget", "could", "estimate", "expect", "forecast", "goals", "hopes", "intend", "may", "objectives", "outlook", "plan", "probably", "project", "risks", "scheduled", "seek", "should", "target", "will", "would" and similar terms and phrases. By their nature, forward-looking statements involve risks (known and unknown) and uncertainties (and other factors that are in many cases beyond the control of Informa and/or UBM) because they relate to events and depend on circumstances that may or may not occur in the future.

There are a number of factors that could affect the future operations of the Informa Group, the UBM Group and/or the Enlarged Group and that could cause actual results and developments to differ materially from those expressed or implied by such forward-looking statements. These factors include the satisfaction of the Conditions, as well as additional factors, such as: domestic and global business and economic conditions; asset prices; market related risks such as fluctuations in interest rates and exchange rates, industry trends, competition, changes in government and regulation, changes in the policies and actions of governments and/or regulatory authorities (including changes related to capital and tax), changes in political and economic stability, disruption in business operations due to reorganisation activities, interest rate, inflation and currency fluctuations, the timing impact and other uncertainties of future or planned acquisitions or disposals or combinations, the inability of the Enlarged Group to realise successfully any anticipated synergy benefits when the Offer is implemented, the inability of the Informa Group to integrate successfully the UBM Group's operations and programmes when the Offer is implemented, the Enlarged Group incurring and/or experiencing unanticipated costs and/or delays, or difficulties relating to the Offer when the Offer is implemented. Other unknown or unpredictable factors could affect future operations and/or cause actual results to differ materially from those in the forward-looking statements. Such forward-looking statements should therefore be construed in the light of such factors. Readers should specifically consider the factors identified in this announcement that could cause actual results to differ before taking any action in respect of the Offer.

Each forward-looking statement speaks only as of the date of this announcement. Neither Informa nor UBM, nor any of their respective associates or directors, officers or advisers, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this announcement will actually occur.
