

Reporter, Rose Sheet - Informa | Pharma Intelligence, Home Worker US

Informa Pharma Intelligence is currently seeking a **Reporter** to join the **Rose Sheet** editorial team. The Reporter will be responsible for reporting and writing news and analysis articles about regulatory, legislative and legal developments with implications for the cosmetics industry, as well as ingredient safety, marketing trends, company performance/strategy and other topics. This position will report into the Executive Editor of Rose Sheet. **This is a virtual role.**

Rose Sheet's editorial team discusses key news and trending issues in the cosmetics and dietary supplement sectors over the past month, including the prospects for cosmetics regulatory reform legislation, developments in "natural" litigation, notable National Advertising Division cases, FDA work on "healthy" dietary supplement labeling and CVS' planned quality standards for supplement products.

JOB RESPONSIBILITIES

- Report and write news and analysis pieces with guidance from an editor on a daily cycle.
- Take daily assignments, and actively pitch stories on a regular basis.
- Cultivate expertise and contacts in topic areas of focus
- Contribute as needed in the proofreading and production process, for daily online publishing and any print issue.

REQUIRED SKILLS

- Journalism skills and knowledge including: ability to write clearly, news writing skills and judgment.
- Ability to understand and interpret data and information.
- Computer literacy appropriate with working in MS Office (Word, Excel and PowerPoint) and the capability to learn customized editorial systems. Use of social media (Twitter, LinkedIn, others).
- Ability to participate in cross-functional teams and maintain communication with colleagues and manager on work in progress, as well as daily use of workflow tracking tools.
- Basic knowledge of specific market sector and awareness of major issues affecting markets in general.
- Good interpersonal skills with emphasis on the ability to gain the cooperation of sources.
- Have the flexibility to cope with any unexpected scheduling.
- Consistently express an informed, knowledgeable interest in learning or contributing more to the editorial process for the benefit of the publications.

KEY QUALIFICATIONS

- Appropriate Bachelor's degree such as journalism, sciences, languages, or economics. Demonstrable writing experience.
- Journalism skills and knowledge including: ability to write clearly, news writing skills and judgment.
- Ability to understand and interpret datasets.
- Computer literacy appropriate with working in MS Office (Word, Excel and PowerPoint) and the capability to learn customized editorial systems. Use of social media (Twitter, LinkedIn, others).
